MESO LIP VOLUME BOOSTER

NATURAL VOLUME. DEFINED LIPS. NO FILLER.

Meso Lip Volume Booster is for you if you want fuller, natural-looking lips without fillers or other injections.

- ✓ Natural enhancement of volume and shape
- ✓ No injections or structural changes to the skin
- ✓ Gentle treatment with proven results
- ✓ Gradual, discreet improvement in lip fullness
- ✓ Perfect if you want fuller lips naturally without filler

The treatment is suitable both as a standalone treatment and as a complement if you have already had filler and wish to maintain or enhance the results.

INGREDIENTS

NO INJECTIONS
OR FILLERS

NATURAL LIP ENHANCEMENT WITHOUT FILLER

Meso Lip Volume Booster works in harmony with your lips to improve volume, hydration and definition – naturally and gradually.

HOW DOES THE TREATMENT WORK?

1

PREPARE

Lips are cleansed thoroughly and prepared with Meso Pure Peel to maximize results.

2

MICRONEEDLING + LIP SERUM

A special vitamin- and peptide serum is gently infused into the lips using mild microneedling.

3

SOOTHE & PROTECT

The treatment is finished with a nourishing and protective cream for optimal care.

The treatment takes approx. 20 minutes and is comfortable with minimal downtime.

KEY BENEFITS

- ✓ Naturally fuller, smoother and more defined lips
- ✓ Enhances natural volume and elasticity
- ✓ Reduces fine lines around the lips
- ✓ Adds healthy color and glow to the lips
- ✓ Deep hydration and nourishment
- ✓ Non-invasive – no injections or fillers
- ✓ Safe, gentle and with no structural changes to the lips
- ✓ Can be performed all year round

MESO LIP VOLUME BOOSTER VS. LIP FILLER

MESO LIP VOLUME BOOSTER		LIP ENHANCEMENT WITH FILLER
Non-invasive treatment without injections	 METHOD	Injection of cross-linked hyaluronic acid
Active vitamin- and peptide serum delivered with gentle microneedling	 TECHNOLOGY	Injection of cross-linked hyaluronic acid
Improves natural volume, contour and hydration level	 EFFECT	Creates more prominent volume
Subtle, natural-looking results without structural changes to the lips	 RESULT	Can change the structure of the lips
Gradual improvement over time	 DURATION	Immediate and more dramatic results

WHEN WILL I SEE RESULTS?

AFTER A FEW DAYS

Lips feel softer, smoother and more hydrated.

AFTER 2–3 SESSIONS

Noticeable improvement in volume, definition and color.

LONG-TERM RESULT

Lips remain naturally plump, healthy and radiant.

RECOMMENDED PLAN

Initial course:
3 treatments
every 2–3 weeks

Maintenance:
every 6–12 weeks
as needed

If you have had lip fillers before, the results may appear even more noticeable, as the treatment activates the body's and the filler's hyaluronic acid.

BEFORE & AFTER RESULTS

Results may vary from person to person.

SAFE • GENTLE • EFFECTIVE
Enhance your lips naturally
with confidence.
